Luke 19v 1-10

The Zacchaeus Outreach Project

Reaching out to the band community
And young people in rural areas,
showing God love in practical ways

Hi,
I hope you can help us.
Next March is the 5th Anniversary of the project and we are planning to put on an exhibition in Killyman Parish Hall but this will not be possible without your help. We are planning to showcase the positive aspects of marching bands.
If you can help in any of the following ways that would be great.

Band Badges

We are planning to get as many band badges as possible and put them on teddies, then next year via a small team, take them to Brazil to the poor communities there.
So if you could give us a band badge that would be fantastic, it doesn't have to be a current one, an old one will be ok. The photo below shows:

These teddies have made the journey to Brazil and been given to children.

Photos

We are planning an exhibit using photos. We need photos of band members all ages and abilities. If each band could give us 3 or 4 and please let me know if you require them back.

Uniforms

If anyone has an old band uniform.

We are planning an exhibit of band uniforms through the ages, and to go with that if we also had mannequins to display them that would be great and with each uniform a little information about the history of the band.

Charities

If you could also give us a list of the charities the band has supported over the last 5 years.

Mission

If any of your band has served on a mission trip overseas in the last 5 years and where to.

Professions

A list of the different jobs members in your band do. i.e. Farmers, etc. We plan to use this to show just how varied band members are and how many professions are in bands.

Church Services etc.

If you also could give us a list of churches that have been attended by the band over the 5 years. Also if the band has attended The Somme.

Playing at the event

Could you also let us know if the band would be willing to play during the event or if any member of the band would be willing to help at the event that would be fantastic.

We plan to let all the bands have a fuller idea of the event when we get it sorted.

We know we are asking for a lot of information from you, but the more we can show that bands are active in all aspects of the community the better. We are also hoping to get a lot of press coverage for this event so we have to make it as big as we possibly can.

The Zacchaeus Project has been blessed by so many band members during the last 5 years; we want to use this event as a celebration of all that is good about the band community.

God has blessed this project and we give thanks to Him.

Thank you in advance for your help and queries or questions my contact details are below.
