# The Zacchaeus Outreach Project

Reaching out to the band community  
And young people in rural areas,  
showing God love in practical ways

## Marching Stars Project

The Zacchaeus Project and Armagh Bands forum are very aware at this time that there is one group of people who are being over looked for all the good work they are doing in their communities and that is the marching band community. We have come up with the idea of a way to celebrate the work that is being carried out by the bands

There are come up with the following idea

1. For younger member of the band community, to design a certificate for those Who participate in the survey? (Details attached)
2. A survey to get put together a picture of the large number of bands member who have Been involved in helping the community in the present pandemic.  
A copy of the survey is attached
3. When the lockdown restrictions are lifted hold an exhibition where the bands taking part put together an exhibit to celebrate those from their band who have helped in the pandemic or to celebrate a member who has passed away not necessarily from Covid 19, maybe a band member who has come over a major traumatic event during the pandemic.  
We are also going to ask for a Royal visit for this event, but no guarantees of that happening.

Getting the good work the marching bands do on a regularly goes unnoticed by so many people and it is a constant battle to get any press interest and we will continue to put on events to draw attention to the work that the marching bands do.

We would encourage you to keep video, photographs etc. as these will come in useful when it comes time for the exhibition.

#### Exhibition

Each band will be given a space and it will be up to them to decide what they want to display and how. It would be good to have a band uniform beside each exhibit and the exhibit can also show other funding raising the band has done in the past.

The exhibition is open to all bands ( also open to Scottish and English bands). Please feel free to pass this onto bands you may know.
